Who can view your profile page and friends?
 Anyone
 Members
 Just My Friends

Who can view my photos, videos, and blog posts by default?
 Anyone
 Just My Friends
 Just Me

(You can override this setting for a photo, video, or blog post when you add it.)

Who can comment on my photos, videos and blog?
 Anyone
 Just My Friends
 Just Me

Do you want to approve comments before they appear on your blog?
 Yes - Let me approve comments first
 No - Publish comments immediately

You can change the privacy and commenting privileges for your whole blog via the settings => privacy place.

Unfortunately you can't limit privacy only to a group in Ning. Either "Anyone", or "Just friends".
I'm going to make mine open to anyone (anyone signed into the Ning that is - michael).
